

## ESN MobilIT v2

### **Application & Back-Office**

# **1**. Application

## **Functionalities**

- See Events, News, Partners of the satellite
- See the survival guide
- See the details of the section
- Receive notifications from satellite

### **Evolution**

- The biggest changes are in the code. A big refactoring was done. The application is faster and crashes less time.

Let's see the others changes :

#### **ESN Card**

orange 🏺

The ESNcard will be one of your best friend during your stay because it will help you save money! With it, you will get discounts in our partners? establishments (Pubs, Restaurants, Shop) as you can see down below. You will also be able to get discounts in many European cities where ESN is based (about 400 cities!). Go on esncard.org to check all the local partners.You can come buy the ESNcard for only 5 euros. Oh, and it also gives you the right to come to the ESN Trips, come to the ESN Parties for free. It is valid for 1 year in all the ESN section in Europe !!!

### Better guide display
