Background

How did you find out about ESN? The association would have the opportunity to benefit from the reputation of such a structure as ESN to be more attractive and stricter for its forthcoming projects

How was your organisation initiated The association was initiated with the personal testimony of Marcandria Peraut to create a missing link between the University and the students who come to study and live there. Regarding its phase of development, the association is in phase of

and what phase of development is it in?

confirmation after a brilliant year which was strongly greeted by all the components of the university.

¹ Generally, sections are called 'ESN (City Name)', but if there are many Higher Education Institutions in your city it is advisable to use another name, like the name of the University, Student Union, etc.

² In case of approval, a welcome package will be sent to this address.

The association is nowadays formed by around 25 members and volunteers as the global number of students in Corsica is around 4 500. It is formed by local students and Erasmus ones but also by several international student as the association wants to join the students together and meet cultures between them.

ORGANISATION: ACTIVITIES

Does your organisation provide information for international students?

Indeed, the association provides information for international students as it is closely linked with the International Relations Office. Moreover, the board members are all former Erasmus student so we are able to help them depending the students' requests.

Does your organisation have a mentor/buddy system to help the incoming students?

No, and it could be useful to set up this kind of activity to allow people to be even more part of the society.

What activities are being, or will be, arranged for your students?

The association provides cultural activities such as cultural themed trips around Corsica with qualified tour guides and it also sets-up language coffees every two weeks.

ORGANISATION: OTHER

How is your organisation funded?

The association is funded by the organization of events (parties, language coffees) and divers sales (house-made products...). Also the association is funded by the regional student assistance office (CROUS in French) through the solidarity Fund Development Student Initiatives (F.S.D.I.E in French)

Do you cooperate with other student organisations? If so, how?
